

- Q Do you understand the make-up of automobiles generally speaking? A. Well, I just drive a Dodge and I don't know much about it.
- Q You understand what a gear-shift car is, of course?
- A What?
- Q A gear-shift car. A. Oh, yes.
- Q Have you ever seen-- A. I don't know nothing about--
- Q Have you ever seen Mr. Stevens drive a gear-shift car?
- A Not to my knowledge.
- Q That is, you have never seen him? A. Never saw him, no. I never saw him drive any car except that Ford station wagon, absolutely not. And every day he goes up and down, up and down this street. Simpson asked--somebody asked me, I don't know whether it was Simpson, if I would hear that night, that hour of the night, late in the season, a car going by here. I said I might, as quiet as it is here at night, there are few people here in September.
- Q Did you, between the time that you arrived at your home at 11 o'clock on the 14th of September, 1922, until the time that you actually got to sleep, hear any automobiles?
- A I did not.
- Q Did you hear any noises? A. No.
- Q I understand you are employed at John Wanamaker's ?
- A Yes, I have been thirty-one years there.
